

QUALITY POLICY

AMIMONI is a Panhellenic Association of Parents, Guardians and Friends of People with Vision Impairments and Additional Disabilities founded in 1993 in Athens and has a 7-member board of directors. It is an association specially recognized as a charitable non-profit, certified by the Ministry of Health and Social Solidarity.

Our Association aims at parents of children with vision problems (either total or partial vision loss) and additional disabilities such as mental retardation, autism, syndromes, neurological disorders and movement problems.

For the service and proper education and employment of our children, the following programs are running:

- 1) *"Irida" Day Care Center*. It is the first day care center in Greece, operating since 1995 in Elliniko.
- 2) *Guesthouse "Polichni"*, Operating since March 1996 in Chalandri. The only program in Semi-Autonomous Living in Greece. It accommodates 5 beneficiaries per week and aims at lifelong training in everyday skills, as well as improving the quality of life of the trainees.
- 3) *"Early Intervention"*, is a program for children up to 6 years old, which takes place at each child's home in close cooperation with the family. The program is also provided remotely through teleconferences to families from all over Greece and abroad.
- 4) *"Supported Living Shelter 'LILIAN VOUDOURI'"*, the first house in Greece, specially built for the lifelong stay of people with vision problems and multiple disabilities. It is located in Pikermi and has been operating since August 2012, hosting 7 tenants.

With our sight set on the future, new ideas and new people, implementing a Management System based on the requirements of the ISO 9001 standard through which we seek continuous quality improvement, while respecting the entire legislative and regulatory framework for the operation and management of financed projects.

Through the continuous cycle of detecting the needs of our direct and indirect beneficiaries, establishing goals and reviewing them, we have for years achieved the satisfaction not only of the beneficiaries of our actions, but also of all those who work, offer or offer support in any way to our action.
